

Ever feel like pulling your hair out on the golf course?

SLBGA can help!

The SLBGA board has worked with our professionals to schedule 4 clinics to help ease that frustration. Each of these professionals has been recommended by members of our group. They are all highly regarded teaching professionals.

- They are free to attend (see note for Tower Tee)
- You MUST be a paid member of SLBGA (see: www.slbga.org)
- These clinics are limited to 12 golfers. Please email the contact person listed below.

PLEASE INCLUDE: Your Name, cell # and email address when contacting the SLBGA Contact to sign up.

In an effort to let as many members enjoy this benefit, please only sign up for 2 clinics. If space allows we will send out additional information/email. Remember, you must have paid your membership dues.
